

RETRO•B

Retrofit Stepped Baffle Recessed Downlight

The Retro-B Series presents the exact same look as our very popular Razor-B without needing for you to dismantle a legacy installation.

This elegant fixture offers a classic stepped baffle trim design with an antiglare look to fit any room's installation.

With its high lumen output and NDR's legendary all diecast aluminum build quality, the Retro-B Series will take transform any renovation project where a can light is replaced by an LED light.
