

# ORBIT•W

## Wall Wash & Sloped Ceiling Recessed Downlight

NDR's all-new Orbit-W adds flexibility and custom lighting angles to our ever so popular Orbit Series.

Combining its high-lumen output, NDR's renowned diecast aluminum build and the 5 selectable color temperature, this fixture fits perfectly within our Orbit family.

Its seamless 360° rotatability and 0-90° drop-down gimbal allows for a fully customizable installation – whether it's a downwards-shining light on a sloped ceiling, or to provide a wall-wash effect, the Orbit-W is sure to fit your application's needs and offers a unique lighting experience.

Industry-leading quality diecast aluminum with heat treated powder coat paint
